-City of Osage Beach-

**Public Works will begin its Annual Leaf Pickup Program
on November 28, 2016 on the east end of the City
on Mace Rd and Ozark Meadows areas.**

This year the City has added the option of using biodegradable bags. Bagging leaves assures that they won't blow back into your yard before the trucks are able to get them picked up. Citizens may pick up bags **FREE OF CHARGE** from Public Works or City Hall or purchase them at area home centers. Place bags at the curb or the end of your drive, give us a call, and we will pick them up! Only biodegradable bags will be taken. No other yard waste will be accepted.

Trucks will continue to vacuum leaves on City owned streets, weather permitting; however, the use of the biodegradable bags is highly encouraged.

Please be patient as we are picking up leaves for the entire community.
