AMENDED TENTATIVE AGENDA

REGULAR MEETING

May 15, 2025 - 5:30 PM
CITY HALL

**** Note:** All cell phones should be turned off or on a silent tone only. If you desire to address the Board, please sign the attendance sheet located at the podium. Agendas are available on the back table in the Council Chambers. Complete meeting packets are available on the City's website at www.osagebeach.org.

CALL TO ORDER

PLEDGE OF ALLEGIANCE

ROLL CALL

CITIZEN'S COMMUNICATIONS

This is a time set aside on the agenda for citizens and visitors to address the Mayor and Board on any topic that is not a public hearing. For those here in person, speakers will be restricted to three minutes unless otherwise permitted. Minutes may not be donated or transferred from one speaker to another.

Any questions or comments for the Mayor and Board may also be sent to the City Clerk at tberreth@osagebeach.org no later than 10:00 AM on the Board's meeting day (the 1st and 3rd Thursday of each month). Submitted questions and comments may be read during the Citizen's Communications section of the agenda.

The Board of Aldermen will not take action on any item not listed on the agenda, nor will it respond to questions, although staff may be directed to respond at a later time. The Mayor and Board of Aldermen welcome and value input and feedback from the public.

Is there anyone here in person who would like to address the Board?

APPROVAL OF CONSENT AGENDA

If the Board desires, the consent agenda may be approved by a single motion.

**PROCLAMATION
NATIONAL PUBLIC WORKS WEEK**

MAY 18-24, 2025

WHEREAS, public works services provided in our community are an integral part of our citizens' everyday lives; and

WHEREAS, the support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as water, sewers, streets and highways, public buildings, and solid waste collections; and

WHEREAS, the health, safety and comfort of this community greatly depends on these facilities and services; and

WHEREAS, the quality and effectiveness of these facilities, as well as their planning, design, and construction, is vitally dependent upon the efforts and skill of public works officials; and

WHEREAS, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people's attitude and understanding of the importance of the work they perform.

NOW, THEREFORE, I, Michael Harmison, Mayor of the City of Osage Beach, do hereby proclaim the week of May 18 through May 24, 2025 as

“National Public Works Week”

in the City of Osage Beach, and I call upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works officials make every day to our health, safety, comfort and quality of life.

IN WITNESS THEREOF, I have hereunto set my hand and caused the Seal of the City of Osage Beach to be affixed this 15th day of May 2025.

Michael Harmison, Mayor

ATTEST:

Tara Berreth, City Clerk

PROCLAMATION

NATIONAL EMERGENCY MEDICAL SERVICES WEEK

MAY 18-24, 2025

WHEREAS, emergency medical services is a vital public service; and

WHEREAS, the members of emergency medical services teams are ready to provide lifesaving care to those in need 24 hours a day, seven days a week; and

WHEREAS, access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

WHEREAS, the emergency medical services system consists of first responders, emergency medical technicians, paramedics, firefighters, educators, administrators, emergency nurses, emergency physicians, and others; and

WHEREAS, the members of emergency medical services teams, whether career or volunteer, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills; and

WHEREAS, it is appropriate to recognize the value and the accomplishments of emergency medical services providers by designating Emergency Medical Services Week.

NOW, THEREFORE, I, Michael Harmison, Mayor, in recognition of this event do hereby proclaim the week of May 18-24, 2025, as

EMERGENCY MEDICAL SERVICES WEEK

With the theme, EMS Strong Called to Care I encourage the community to observe this week with appropriate programs, ceremonies, and activities.

In witness thereof, I have hereunto set my hand and caused the Seal of the City of Osage Beach to be affixed this 15th day of May 2025.

Michael Harmison, Mayor

ATTEST:

Tara Berreth, City Clerk

City of Osage Beach
Agenda Item Summary

Date of Meeting: May 15, 2025
Originator: Cary Patterson, City Planner
Presenter: Cary Patterson, City Planner

Agenda Item:

Bill 25-42 An ordinance of the City of Osage Beach, Missouri, adopting an amendment to the zoning map of the City of Osage Beach, Missouri by rezoning a parcel of land as described in Rezoning Case no. 426. *Second Reading*

Requested Action:

Second Reading of Bill #25-42

Ordinance Referenced for Action:

Board of Aldermen approval is required for an amendment to the Zoning Map per Municipal Code Chapter 405 Zoning Regulations.

Deadline for Action:

Yes - 90 day rule

Budgeted Item:

Not Applicable

Budget Line Information (if applicable):

Not Applicable

Department Comments and Recommendation:

The Planning Commission reviewed the request at their meeting on April 8, 2025 and have forwarded it to the Board with a unanimous recommendation for approval.

City Attorney Comments:

Per City Code 110.230, Bill 25-42 is in correct form.

City Administrator Comments:

I concur with the department's recommendation.

AN ORDINANCE OF THE CITY OF OSAGE BEACH, MISSOURI, ADOPTING AN AMENDMENT TO THE ZONING MAP OF THE CITY OF OSAGE BEACH, MISSOURI. BY REZONING A PARCEL OF LAND AS DESCRIBED IN REZONING CASE #426.

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, AS
FOLLOWS, TO WIT:

Section 1. That the real estate, generally described as JM Corners LLC, is under the terms and conditions contained in Exhibit A, attached hereto in Rezoning Case No. 426.

See Exhibit A: Legal Description.

Section 2. That this Ordinance shall be in full force and effect upon date of passage and the approval of the Mayor.

READ FIRST TIME: May 1, 2025

READ SECOND TIME:

I hereby certify that the above Ordinance No. 25-42 was duly passed _____, by the Board of Aldermen of the City of Osage Beach. The votes thereon were as follows:

Ayes:

Nays:

Abstentions:

Absent:

This Ordinance is hereby transmitted to the Mayor for his signature.

Date _____

Tara Berreth, City Clerk

Approved as to form:

Cole Bradbury, City Attorney

I hereby APPROVE Ordinance 25.42.

Michael Harmison, Mayor

Date _____

ATTEST:

Tara Berreth, City Clerk

“ EXHIBIT A “
LEGAL DESCRIPTION

Legal Description Section: 10 Township: 39 Range: 16 County: Camden

A tract of land situated in and being a part of the Southwest Quarter, of the Southeast Quarter of Section 10, Township 39 North, Range 16 West and being more particularly described as follows:

COMMENCING at a 1/2 rebar marking the Northeast corner of Lot 24 of Lakeshore Village Estates as described in Plat book 150, Page 49 in the Records of Camden County, Missouri; thence, North 73 Degrees, 03 Minutes, 09 Seconds East along the Southerly right of way of U.S. Route 54, 152.65 feet to a set 1/2 inch rebar; thence, continuing along U.S. Route 54 along said bearing, 41.02 feet across Rowan Road to a set 1/2 inch rebar; thence, continuing along U.S. Route 54, North 73 Degrees, 03 Minutes, 09

Seconds East, 152.50 feet to a 5/8 inch rebar marking Centerline Station 234+00 130 feet left and the POINT OF BEGINNING; thence, South 77 Degrees, 11 Minutes, 24 Second East, 316.24 feet to a 5/8" rebar marking Centerline Station 231+00 230 feet left; thence, South 87 Degrees, 36 Minutes, 34 Seconds East, 72.35 feet to a set 1/2" rebar; thence, leaving said Southerly right of way, South 1 Degrees, 31 Minutes, 36 Seconds East along the Westerly line of a tract of land described by deed in Book 852, Page 899 in said Records of Camden County, Missouri, 96.55 feet to a 1/2 inch rebar; thence, leaving said Westerly line, South 66 Degrees, 06 Minutes, 50 Seconds West along the Northwesterly line of tracts of land described by deeds in Book 506, Page 93 1, Book 756, Page 726, in said Records of Camden County, Missouri, 277.09 feet to a 1/2 inch rebar; thence, leaving said Northwesterly line along said Bearing, along the Northwesterly line of a tract of land described by deed in Book 771, Page 158 in said Records of Camden County, Missouri, 100.08 feet to a 1/2 inch rebar; thence, continuing along said bearing, leaving said Northwesterly line along the Northwesterly line of a tract of land described by deed in Book 830, Page 362 in said Records of Camden County, Missouri, 100.03 feet to a set 1/2 inch rebar; thence, leaving said Northwesterly line, North 23 Degrees, 53 Minutes, 10 Seconds West along the Northeasterly line of a tract of land described by deed in Book 505, Page 457 in said Records of Camden County, Missouri, 41.40 feet to a set 1/2 inch rebar; thence, leaving said Northeasterly line,

South 66 Degrees, 06 Minutes, 50 Seconds West along the Northwesterly line of said tract of land, 200.00 feet to a set 1/2 inch rebar; thence, leaving said Northwesterly line, North 23 Degrees, 53 Minutes, 10 Seconds West along the Northeasterly line of a tract of land described by deed in Book 810,

Page 204 in said Records of Camden County, Missouri, 111.25 feet to a set 1/2 inch rebar on the Southeasterly right of way of Rowan Road; thence, leaving said Northeasterly line along the Southeasterly right of way of said Rowan Road along the following courses: North 67 Degrees, 39 Minutes, 07 Seconds East, 61.70 feet to a set 1/2 inch rebar; thence, North 32 Degrees, 35 Minutes, 30 Seconds East, 77.89 feet to a 1/2 inch rebar; thence leaving said right of way, North 80 Degrees, 21 Minutes, 38 Seconds East, along the South line of Lot 8 of said Lakeshore Village Estates, 141.16 feet; thence leaving said South line, along the Easterly line of said Lot 8 and Lot 7 and Lot 6 of said Lakeshore Village Estates, North 21 Degrees, 36 Minutes, 51 Seconds East, 86.65 feet to a 1/2 inch rebar; thence North 15 Degrees, 54 Minutes, 32 Seconds East, 115.02 feet to the POINT OF BEGINNING.

Containing 2.92 Acres

Subject to all easements and restrictions of record.

City of Osage Beach

Agenda Item Summary

Date of Meeting: May 15, 2025
Originator: Andrew Bowman, City Engineer
Presenter: Andrew Bowman, City Engineer

Agenda Item:

Bill 25-43 - An ordinance of the City of Osage Beach, Missouri, authorizing the Mayor to approve a contract with Hydro-Klean, LLC for the Rockway Lift Station Reline Project for an amount not to exceed \$112,680.00 *Second Reading.*

Requested Action:

Second Reading of Bill #25-43

Ordinance Referenced for Action:

Board of Aldermen approval required for purchases if fewer than two (2) bids or proposals from qualified vendors are received per Municipal Code Chapter 135; Article II: Purchasing, Procurement, Transfers, and Sales.

Deadline for Action:

Not Applicable

Budgeted Item:

Yes

Budget Line Information (if applicable):

Budget Line Item/Title: 35-00-773114 Lift Station Improvements -
Rockway Lift Station Current Basin Reline

FY2025 Budgeted Amount: \$125,000

FY2025 Expenditures to Date (MM/DD/YY): (\$ 0)

FY2025 Available: \$125,000

FY2025 Requested Amount: \$112,680.00

Department Comments and Recommendation:

The Rockway Lift Station Reline Project will rehabilitate the Rockway lift station concrete wet well. The Rockway lift station concrete wet well is structurally sound but the coating within the wet well is deteriorated and poses a risk that the coating could flake off and damage the large expensive pumps that service this station. The current coating for the wet well was installed to attempt to limit the concrete's exposure to H₂S which is a chemical byproduct produced by the sewage in the sewer system. This new

lining of the wet well will provide the protection that was originally deemed necessary at the time of the original coating installation and will significantly improve the lifespan of this structure.

This project was originally budgeted at \$125,000 the project advertisement was out to the public for approximately 3 weeks, and received only one bid. Hydro-Klean can perform the work as specified under the budgeted amount at \$112,680. I have no concerns that they can perform the work as specified.

I recommend approval.

City Attorney Comments:

Per City Code 110.230, Bill 25-43 is in correct form.

City Administrator Comments:

I concur with the department's recommendation.

AN ORDINANCE OF THE CITY OF OSAGE BEACH, MISSOURI, AUTHORIZING THE MAYOR TO APPROVE A CONTRACT WITH HYDRO-KLEAN, LLC FOR THE ROCKWAY LIFT STATION RELINE PROJECT FOR AN AMOUNT NOT TO EXCEED \$112,680.00.

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, AS FOLLOWS:

Section 1. That the Board of Aldermen authorize the Mayor to sign a contract Hydro-Klean LLC under substantially the same or similar terms and conditions as set forth in “Exhibit A”.

Section 2. The City Administrator is hereby authorized to take such further actions as are necessary to carry out the intent of this Ordinance and Contract.

Section 3. This Ordinance shall be in full force and effect from date of passage and approval by the Mayor.

READ FIRST TIME: May 1, 2025

READ SECOND TIME:

I hereby certify that the above Ordinance No. 25.43 was duly passed on by the Board of Aldermen of the City of Osage Beach. The votes thereon were as follows:

Ayes:

Nays:

Abstain:

Absent:

This Ordinance is hereby transmitted to the Mayor for his signature.

Date
Approved as to form:

Tara Berreth, City Clerk

Cole Bradbury, City Attorney

I hereby approve Ordinance No. 25.43.

Michael Harmison, Mayor

Job Description

Projected probable project cost to perform the following tasks on a unit cost basis: Variations in the work scope will require execution of a change order.

HK Solutions Group (HK) will provide labor, equipment, materials and personnel to rehabilitate Rockway Wet Well (dimensions – 14 feet x 14 feet and 17 feet deep) using Monoform Plus and GeoKrete application for City of Osage Beach, MO (Client).

Rockway – It's a triplex lift station. There is an 8" and 16" gravity coming into it and 3 8" pressure pipes leaving the station.

Price includes two mobilizations to job site for each crew; one crew for Monoform Plus installation and one crew for GeoKrete application. Price also includes per diems for both crews. HK will schedule pre-construction meeting prior to mobilization. HK will schedule at least one production meeting during project. Estimated project duration is two weeks. Client will remove all piping, equipment and wiring before HK can begin work.

Client will provide:

1. Bypass
2. Mode of Entrance for HK
3. Regulate Pressure from Gravity Lines
4. Disposal Site for Debris

Agenda Item Summary

Date of Meeting: May 15, 2025
Originator: Andrew Bowman, City Engineer
Presenter: Andrew Bowman, City Engineer

Agenda Item:

Bill 25-45 - An ordinance of the City of Osage Beach, Missouri, authorizing the Mayor to approve a contract with McKim & Creed for the East System Leak Survey Project for an amount not to exceed \$20,000.00 *Second Reading*.

Requested Action:

Second Reading of Bill #25-45

Ordinance Referenced for Action:

Board of Aldermen approval required for purchases over \$25,001 per Municipal Code Chapter 135; Article II: Purchasing, Procurement, Transfers, and Sales.

Deadline for Action:

No

Budgeted Item:

Yes

Budget Line Information (if applicable):

Budget Line Item/Title: Leak Survey

FY2025 Budgeted Amount: \$60,000

FY2025 Expenditures to Date (04/21/2025): (\$ 0)

FY2025 Available: \$60,000

FY2025 Requested Amount: \$20,000

Department Comments and Recommendation:

The scope of this project is to complete a comprehensive water distribution leak survey on the East Water System. This work to find the leaks in the system is the first step to potentially finding and reducing the water loss in the system. As identified in the Water Master Plan the East Water System had especially high water loss.

I contacted the references and found no issues.

This project has 30 calendar days for completion after the notice to proceed is issued.

I recommend approval.

City Attorney Comments:

Per City Code 110.230, Bill 25-45 is in correct form.

RE: IFB: Osage Beach Leak Detection

Dear Mr. DeVore and Members of the Selection Committee:

McKim & Creed, Inc. demonstrates a robust capability to perform watermain leak detection and locating services, leveraging their extensive experience and advanced technology. The company employs a comprehensive approach that integrates acoustic leak detection methodologies, which have been refined over years of practice to ensure precise and reliable results. Our team of certified technicians is trained to use state-of-the-art equipment, such as acoustic noise loggers and ground microphones, to accurately pinpoint leaks. This expertise is complemented by their ability to conduct non-invasive internal pipe inspections, which minimizes disruption and maximizes efficiency. McKim & Creed's commitment to quality is evident in their adherence to the best practices outlined in the AWWA Manual of Water Supply Services and their rigorous quality assurance processes. Our track record includes successful projects across various municipalities, where they have significantly reduced water loss and improved operational performance, underscoring their capability to deliver high-quality leak detection services.

The Leak Survey project for Osage Beach is designed to enhance the utilities infrastructure management through precise and timely identification of watermain leaks.

Key deliverables include weekly detailed reports and an annual summary table, providing comprehensive data on detected leaks, including their location, type, and recommended actions. This project aims to support Osage Beach in maintaining a robust and efficient water infrastructure, ensuring public safety and resource conservation.

Please know that the McKim & Creed staff is worthy, capable and thanks you for the opportunity to submit our proposal for consideration.

Sincerely,

McKim & Creed, Inc.

FIRM OVERVIEW

1 Firm Overview

WHO WE ARE & WHAT WE DO

We are an **employee-owned engineering** and surveying firm of people helping people solve complex, demanding infrastructure challenges. Our proven integrated approach leverages national and localized subject matter experts who can provide fresh ideas based on lessons learned from a wide array of clients, while still being available to support you at a moment's notice.

Our technical specialties include civil, instrumentation & controls, electrical, mechanical, and structural engineering; industrial design-build services; airborne and mobile LiDAR/scanning; unmanned aerial systems; subsurface utility engineering; and hydrographic and conventional surveying services for the energy, transportation, federal, land development, water, and building markets.

OUR DIVERSITY OF SERVICES RESULTS IN EFFECTIVE SOLUTIONS:

WATER ASSET MANAGEMENT

GEOSPATIAL

MECHANICAL, ELECTRICAL, PLUMBING

WATER AND WASTEWATER

DESIGN-BUILD

**OUR PASSION TO HELP OTHERS

Water Resources

Water infrastructure in the United States serves 190 million people through more than 16,000 plants and 600,000 miles of pipeline. Ongoing access to clean / safe water is a major focus for our team.

Our award-winning water management engineers consistently strive to develop new and efficient ways to improve, sustain, clean, manage and maintain our nation's water. And we find unique solutions for additional and alternative water sources when supply is an issue.

McKim & Creed plans and designs systems that treat, preserve and conserve the earth's finite water resources. Systems that include infrastructure that prevent water loss, meet stringent regulations and improve drinking water quality. Open-source I&C/SCADA systems and hydraulic models that help communities leverage their infrastructure. Water reuse systems that conserve potable water.

Stormwater programs that manage entire watersheds. Wastewater treatment plants that produce safe, clean effluent. And survey data for floodplain mapping, surge models, sea level rise studies and pre and post-storm surveys.

SERVICES

INSTRUMENTATION & CONTROLS/SCADA

Through our approach of collaborative teamwork, outstanding engineering design, seamless system integration, thorough training and ongoing support, we plan, design and implement in-plant and system-wide instrumentation and controls / SCADA systems that enable utilities to operate efficiently, effectively and safely.

WASTEWATER MANAGEMENT

At McKim & Creed, our engineers work with government and private entities to plan, build and maintain wastewater systems that incorporate the most effective technologies to meet the community's needs.

DESIGN BUILD

Our alternative delivery professionals are experienced in all aspects of design-build, including project development, design, estimating, procurement, scheduling, budget management, safety, construction, start up, operations and project management.

WATER MANAGEMENT

Our award-winning water management engineers consistently strive to develop new and efficient ways to improve, sustain, clean, manage and maintain water.

RENEWAL & REPLACEMENT

McKim & Creed's closed circuit TV (CCTV) inspection systems provide a full, 360-degree interior view of your aging infrastructure. High-quality imagery coupled with faster production rates mean that your dollars can be spent fixing your aging infrastructure issues, rather than simply studying the problem.

TRENCHLESS TECHNOLOGY

McKim & Creed has been recognized as one of the top 50 trenchless design firms in the U.S. by Trenchless Technology magazine and was ranked 8th in 2023 for Trenchless Engineering. The firm provides award-winning services, including subsurface utility engineering, infrastructure renewal and replacement, and engineering, for hundreds of trenchless projects each year.

“

"We absolutely love the work they do for us with our leak detection program. The professionalism and knowledge they have is amazing, we look forward to working with them in the near future."

SABRINA CLARK
ADMINISTRATIVE COORDINATOR

Village of Miramar, Florida | Leak Detection
Services Contract

Water Asset Management

QUALIFICATIONS & EXPERIENCE

McKim & Creed acquired Matchpoint, a non-revenue water and water loss recovery company, in October 2020. The former Matchpoint team now operates as the Water Asset Management division under McKim & Creed's comprehensive water services umbrella, enhancing the team's strength with additional resources, expertise, and experience. While vision drives us, value is our promise. We are committed to helping clients conserve valuable resources by revitalizing water infrastructure.

**WATER IS INVALUABLE AND IT IS OUR MISSION
TO SAVE AND MAKE BETTER USE OF IT.**

We offer a comprehensive suite of SMART water solutions that support the stewardship efforts of utilities, municipalities, and commercial enterprises across North America and the Caribbean. Our offerings include innovative technology, expert training, skilled support, and turnkey service solutions for effective water asset management. The Water Asset Management (WAM) team at McKim & Creed boasts over 100 years of combined expertise in the water industry and water loss management. Data as a Service Solutions are central to WAM's methodology, utilizing robust technologies and best practices grounded in validated and historical data collected from system sensors. This data-driven knowledge empowers organizations to make swift and reliable decisions, with solutions tailored to each customer's specific needs.

esri

In addition to our field services, we established a Certified Service Center in North Carolina in 2016 to better

serve clients by providing service, repair, and calibration of leak detection and network monitoring equipment. **McKim & Creed has been a business partner with ESRI, a GIS software for mapping and spatial analytics, for over 16 years.** Our commitment to customer objectives is at the core of our operations. We collaborate closely with clients and their teams to ensure our solutions effectively and efficiently meet their needs.

SERVICES

- ✓ Leak Detection: Acoustic and in-pipe inspections
- ✓ Network Monitoring and Data Analytics
- ✓ DMA & Data as a service system, Including Infrared Assessment
- ✓ Training and Support
- ✓ Rental Program
- ✓ Equipment Service, Repair, and Calibration
- ✓ Consultation and Design Services
- ✓ Asset Management
- ✓ Subsurface Utility Engineering (SUE)
- ✓ GPS/GNSS Data
- ✓ GIS Mapping Partnered with ESRI

McKim & Creed's Water Asset Management division offers a comprehensive suite of solutions designed to empower utilities, municipalities, and commercial enterprises in effectively managing their water infrastructure. With a focus on innovation and expertise, the division provides advanced technology, expert training, and turnkey service solutions. Central to these offerings is Data as a Service Solutions, which leverage robust technologies and best practices grounded in validated and historical data to provide actionable insights. This empowers organizations to make informed decisions swiftly and reliably, ensuring the efficient stewardship of water resources across North America and the Caribbean.

Data analysis plays a crucial role in this process by examining, organizing, and interpreting data to uncover patterns and trends. It often includes data visualization to communicate findings clearly, predictive modeling to anticipate future outcomes, and optimization techniques to improve efficiency. **Ultimately, data analysis helps businesses make informed decisions, serving as a critical driver of business success and innovation.**

OUR SOLUTIONS

- ✓ Risk Management
- ✓ Network Monitoring & Data Analytics
- ✓ Leak Detection: Acoustic & In-Pipe Services
- ✓ Training Support
- ✓ Financing
- ✓ GIS Mapping
- ✓ Satellite & UAS Based Infrastructure Assessment
- ✓ Rental Program
- ✓ Service and Calibration

PROJECT HIGHLIGHT

CITY OF MIRAMAR | WATER LOSS MANAGEMENT

The City of Miramar faced imminent water source limits, prompting a focus on reducing water loss. City staff observed a rise in water production that didn't align with population growth or new connections. After analyzing flow and pressure, McKim & Creed conducted a leak detection survey on 80 miles of pipelines, identifying 289 distribution leaks and 30 customer leaks, most of which were not visible on the surface. The team accurately located 90% of the leaks, enabling efficient repairs that saved time, money, and minimized service disruptions. This effort reduced the City's water demand by about 1 million gallons per day, saving 1,304,352 gallons daily and generating \$2 million annually. Due to this success, McKim & Creed was chosen for a multi-year program to overhaul the water distribution system, including surveys, monitoring, design, and construction, allowing the City to prioritize repairs for optimal investment returns.

COMMITMENT TO SAFETY

Figure 2.1 | McKim & Creed Health & Safety Program Booklet

2 Commitment to Safety

McKim & Creed makes every effort to provide safe working conditions for employees. The Company observes the safety laws of the governmental bodies with whose jurisdiction we operate. No one will knowingly be required to work in any unsafe manner. Safety is every employee's responsibility. Therefore, all employees are requested to point out potential hazards do everything reasonable to keep the company a safe place to work. Employees also are required to wear appropriate personal protective equipment in all operations where there is an exposure to hazardous standards, rules, and orders applicable to job site safety. Any staff member who visits a project site must wear appropriate safety equipment. PPE is issued to employees as needed.

Maintaining a safe work environment for our employees, clients, contractors, consultants, subconsultants, and the public, is of utmost importance to McKim & Creed. We have developed and abide by detailed work processes and procedures, to continually maintain a safe work environment while providing high-quality services to our clients.

It is a top priority of the company to prevent work-related accidents and injuries. For site-specific safety, special attention is given during the course of on-site review prior to the beginning of work. A specific plan is developed, reviewed, and provided to field crew during our Project Initiation meeting, held prior to any field work. Safety is also a topic during our Project Progress meetings. It is important to discuss issues, difficulties, and reasonable options, and to be able to make adjustments to the plan during the project.

McKim & Creed educates it's employees in order to ensure safe working conditions through training and review of safety procedures and review of safety-conscious work habits. Safety is every employee's responsibility.

Our employees, through awareness, are encouraged to point out potential hazards and to do everything reasonable to prevent potential accidents or injuries.

2

PROJECT APPROACH

2 Project Approach

The foundation for our Project Approach begins with the AWWA M36 Manual of Water Loss Control Programs. The best practices are supplemented with a myriad of inputs such as water loss, system capacity, client objectives, pipe size, materials, environment, density, and criticality of failure. Our analytics program then designs our project tasks to maximize Return on Investment (ROI) specifically for your system.

PHASE ONE: ACOUSTIC LEAKAGE INSPECTION TECHNOLOGY

McKim & Creed will utilize all available assets and access points to provide a thorough and complete initial investigate of the area we are contracted to survey.

- The area of investigation will be inspected initially with manual sounding equipment which includes the listening stick and ground microphone technology.
- We will inspect all fire hydrants, valves and service connection
- A ground microphone and line probing will be used where valve spacing exceeds the range of the direct contact points for adequate coverage based on pipe material and infrastructure environment in order to ensure a thorough initial investigation of the suspected area for any indications of leak noise.
- When warranted, acoustic noise loggers will be placed in a designated system area on direct contact points during daytime hours and set to listen overnight when the system is at highest pressure and ambient noise is less of an obstruction.

TECHNOLOGY		APPLICATION
Electronic Listening Stick and Ground Microphone		• A leak listening system with high acoustic sensitivity and multiple frequency range filters • Direct leak listening on water fittings or directly over the pipe • Used for initial survey and/or for pinpointing leaks • Sounding will take place to comprehensively cover the area of investigation for the presence of leak noise based on the system pipe material, diameter and pressure
Acoustic Noise Loggers and Communication Module		• Wirelessly detects and localizes water leakage for temporary, semi-permanent or permanent applications • Used for sounding of high consumption areas and heavy background noise locations • Programmed to listen and record noise at night when listening conditions are optimal: the distribution system is at its highest pressure and ambient noise is lowest. • Take three separate listening samples throughout the night
Chlorine and/or Fluoride Test Kits		• Testing kits used to identify the chemical nature of visible or surfacing water • Confirms whether the water is sourced from the distribution system or otherwise

All suspect leak locations will be subjected to further detection practices including a second visit for verification. **Multiple leaks will be prioritized based on severity and/or consequence of failure.**

- Two or more correlation loggers will be placed on direct contact points surrounding the identified leak. Pipe material, logger distance, and pipe size are entered into the system.
- The correlator uses the information, listens for leakage, and programmed algorithms generate the leak velocity and location of the leak in feet from each contact point.

CONFIRMATION

REPORTING RESULTS

Once confirmed with the ground microphone or hand probing, the pinpointed location is marked and reported via a daily leak card and report. Any repaired leakage locations identified will be revisited post repair within the project timeline for a verification that no other leakage noise remains present in the immediate area.

TECHNOLOGY	APPLICATION
Real-Time Acoustic Correlator	 • Real-time correlator with advanced filtering system to pinpoint the most difficult leaks
Non-Real Time Acoustic Correlator	 • Non real-time correlating system for noisy, complex, or busy areas
Hydrophone Adapter Non-Real Time Acoustic Correlator	 • Non real-time correlating system further optimized for larger pipes and over longer distances
Ground Microphone	 • A ground microphone and electronic listening stick that can be used for pinpointing leaks with direct sounding over top of the pipe to pinpoint leak location and validate correlation results

Gallons Per Year: **15,768,000**

Date: **January 15, 2025**

PHASE THREE: REAL-TIME PROJECT DASHBOARD AND REPORTING

REAL-TIME PROJECT DASHBOARD

The McKim & Creed field team will use an Esri-based data collection device to collect all reported findings and plot out progress. The collected project data is overlaid onto the client's existing mapping information and is made available for real-time viewing on our Esri dashboard.

The Esri online dashboard is made available to the client group for monitoring real-time project progress maps, statistics, and other project information throughout the investigation for each survey area. This dashboard can also be customized to the client's requests and needs. It serves as a quick reference with up-to-date project data in addition to our standard daily and weekly reporting processes.

DAILY/ WEEKLY REPORTS

As standard, leaks will be reported on a daily/weekly basis (**unless immediate action is required, then they are reported ASAP**) and submitted in our customized Leak Card format. Leak Cards will contain all the supporting information about the leak characteristics and marked location. This information includes:

- The address or location
- The urgency of the leak
- The surface material around the leak location
- The type of leak
- Pipe material and size
- The methodology employed to identify and verify the leak
- A notification if visible water is present
- The decibel of the noise the leak is producing on the closest asset
- To whom the leak was reported
- The estimated size of the leak
- A description of the leak along with how it was found

REAL-TIME ACCESS TO OUR PROGRESS

INSTANT ALERT FOR MAJOR LEAKS

DAILY AND WEEKLY REPORTING OF RESULTS

DASHBOARD BENEFITS

Project: Prairie Grove Arkansas / Jan 2025 Leak Detection Investigation

Area Contract Mileage:	65.00
Area Percentage Complete To Date:	100.00%
Area Mileage Completed To Date:	65.00
Area Mileage Remaining To Complete:	0.00
Days Completed In Area:	15.75
Average Miles Covered Per Day Per Person:	4.13
Est Days Remaining On Project Area:	0.00
Overall System Leaks Found To Date:	12
Overall GPM Loss Found To Date in Area:	58.70
Leaks Found Per Mile In Area:	0.18
Water Loss Per Mile (in GPM):	0.90
Average Leak Size (in GPM):	4.89
Total Fittings/Connections Sounded:	2370
Average Fittings Sounded Per Mile:	36

Additional Project Info:
Leak Detection Investigation for 65 miles of the Prairie Grove Arkansas Utility water distribution system conducted in January 2025.

WEEKLY CUMULATIVE REPORTS

Progress reports will be submitted weekly with all project data, including all cumulative information for the week, thus serving as a daily and weekly report combined. The report includes cumulative information gathered to date, including:

- Details of Leaks Located (including type, visible versus non-visible, size, location)
- Mileage Surveyed
- Location and Status of Loggers Deployed
- Number of Fittings Sounded
- Estimated Gallons per Minute Found to Date
- Suspected Custom Service Leaks
- System Notes
- Requested Customer Shutoffs

PROJECT SUMMARY REPORT

A comprehensive report will be prepared and submitted within 30 working days upon completion of the investigation. The summary report includes a final version of our daily report, combined PDF file of all leak cards submitted for the project, all correlation reports conducted during the project and project/system specific recommendations based on our investigation analysis. Other supporting documentation gathered throughout the project may be included as well. Furthermore, McKim & Creed's report will include recommendations to help continually and proactively reduce the City's water loss in years to come.

McKim & Creed will assist with the future analysis for additional leak detection investigations or other services that would be beneficial for the client in the interest of reducing their NRW and to achieve the best ROI going forward.

QUALITY CONTROL / QUALITY ASSURANCE

We believe that Quality Assurance begins before the first computer is turned on.

McKim & Creed is a Professional Services Firm operating under a Professional Services Agreement.

As a standard, all services will be executed to meet and often exceed, the best practices listed in the AWWA Manual of Water Supply Services (M36) and will be performed at the highest level of health and safety standards (OSHA safety standards).

Our leak detection services are traditional, non-invasive, and are reliant on acoustic technology combined with personnel expertise. Our leak detection approach has been refined over the lifetime of our company, to ensure optimum customer satisfaction, effective communication and precise results. We abide by a comprehensive process that maximizes the potential of reducing water loss and minimizes the likelihood of dry holes or excavating a leak-free hole.

PEOPLE

Our technicians are trained to conduct themselves in a professional manner and to put the customer's needs in top focus while they are conducting the leak surveys.

All of our technicians have passed certified technical training on the equipment and all are well trained in the functionality and limitations of this equipment.

The project team members are involved in the development and refinement of the final scope of work, project schedule and budget.

McKim & Creed prioritizes a safe work environment with detailed processes to ensure safety and high-quality services. Safety plans are reviewed before fieldwork and discussed during project meetings. The company emphasizes employee education on safe practices, making safety everyone's responsibility to prevent accidents and injuries.

PROCESSES

Once the project has begun, McKim & Creed adheres to an approach that is established in our project execution manual.

The scope of services is reviewed by the manager of the technical group to ensure that the clients' needs are addressed;

Status meetings are scheduled by the Director of Operations to oversee that deadlines are met and to address any necessary issues;

- ▶ Daily quality assurance/quality control reviews by individual team members;
- ▶ Periodic assessments by design teams;
- ▶ Evaluation by a Project Manager before each submission to the client;
- ▶ Project check-ups with our customers are performed at the conclusion of their projects;
- ▶ Internal post-project evaluation; including measures that worked well, lessons learned, new technology or process assessments.

TECHNOLOGY

We use technology in addition to personnel, wherever possible to ensure the results are supported by multiple investigation methods. All investigation points are visited a second time to ensure that the leakage indication is present on multiple visits, as leakage is continuous in nature. Our on-site project manager, as well as the director of operations, conducts a daily review of all data collected to ensure accuracy and consisting of reported information and processes.

Our Support Services department is involved in quality control of each project by assisting with the review of data captured throughout the project and advises on further interpretations of potential outcomes for leak location pinpointing.

PROJECT TIMELINE

McKim & Creed can furnish a refined schedule of events once the contract has been awarded to include firm dates that correspond with the award date. The schedule will be maintained throughout the project. There is little to no effort required from the utility throughout the life of the project, these details will be discussed during the PreCon Meeting before Project Kick-Off.

**THE PROJECT FIELD WORK WILL BE COMPLETED WITHIN 30 DAYS OF THE KICKOFF DATE,
WITH THE SUMMARY REPORT PROVIDED WITHIN 30 DAYS OF FIELD WORK COMPLETION.**

City of Osage Beach

Agenda Item Summary

Date of Meeting: May 15, 2025
Originator: Madeline Mousseau, Human Resource Generalist
Presenter: Devin Lake, City Administrator

Agenda Item:

Resolution 2025-15 - A resolution of the City of Osage Beach, Missouri, stating facts and reasons for the necessity to amend the budget for Fiscal Year 2025 removing and adding various job titles to the Public Works Department.

Requested Action:

Resolution #2025-15

Ordinance Referenced for Action:

Board of Aldermen approval required per Section 110.230. Ordinances, Resolutions, Etc. – Generally and Section 110.240 Adoption of Ordinances.

Deadline for Action:

Not Applicable

Budgeted Item:

Not Applicable

Budget Line Information (if applicable):

Not Applicable

Department Comments and Recommendation:

This change would replace the title of each Public Works department's Foreman position(s) to the department's Supervisor. Additionally, this change will add Crew Leaders to each Public Works department. This change will allow the Supervisors to attend to higher-level supervisory and administrative tasks with the Crew Leader on-site to provide in-the-field leadership and cursory decision-making. This change will make the Sewer Superintendent and Transportation/Water Superintendent positions unnecessary, thus they will be removed from the Organizational Chart.

City Attorney Comments:

Per City Code 110.230, Resolution 2025-15 is in correct form.

City Administrator Comments:

I concur with the department's recommendation.

RESOLUTION 2025-15

A RESOLUTION OF THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, MISSOURI, STATING FACTS AND REASONS FOR THE NECESSITY TO AMEND THE FISCAL YEAR 2025 BUDGET BY REMOVING AND ADDING VARIOUS JOB TITLES TO THE PUBLIC WORKS DEPARTMENT

WHEREAS, a change in employee titles to the Public Works Department budget.

WHEREAS, a budget amendment is necessary for proper administration and, documentation.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, MISSOURI, AS FOLLOWS:

Section 1. The Board of Aldermen of the City of Osage Beach, Missouri hereby authorizes the Public Works Department various title changes be documented in the budget for Fiscal Year 2025.

Section 2. This resolution shall be in full force and effect from and after its passage and approval

I hereby certify that the above Resolution 2025-15 was duly passed on _____, by the Board of Aldermen of the City of Osage Beach. The votes thereon were as follows.

Agenda Item:

Bill 25-46 - An ordinance of the City of Osage Beach, Missouri amending Ordinance No. 24.93 Adopting the 2025 Annual Budget by removing and adding job titles within the FY2025 Employee Pay Plan for Public Works. *First Reading*

Requested Action:

First Reading of Bill #25-46

Ordinance Referenced for Action:

Board of Aldermen approval required for certain budget amendments per Municipal Code Chapter 135; Section 135.020 Budget and Financial Control.

Deadline for Action:

Not Applicable

Budgeted Item:

Not Applicable

Budget Line Information (if applicable):

Not Applicable

Department Comments and Recommendation:

We would be changing the Public Works Foremen positions to Supervisors. With this change, we are moving their pay plan level from Level 10 to Level 11 to compensate for their additional administrative oversight responsibilities not compensated for previously. Additionally, we would be adding Crew Leader positions for each of the Public Works departments, keeping the original two-person headcount previously allocated to the Sewer Foreman position to a total of two Sewer Crew Leader positions for sufficient in-the-field crew management.

City Attorney Comments:

Per City Code 110.230, Bill 25-46 is in correct form.

City Administrator Comments:

I concur with the department's recommendation.

AN ORDINANCE OF THE CITY OF OSAGE BEACH, MISSOURI, AMENDING ORDINANCE NO. 24.93 ADOPTING THE 2025 ANNUAL OPERATING BUDGET BY REMOVING AND ADDING JOB TITLES WITHIN THE FY2025 EMPLOYEE PAY PLAN FOR PUBLIC WORKS.

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, AS FOLLOWS, TO WIT:

Section 1. That the 2025 Annual Operating Budget adopted as Ordinance No. 24.93 is hereby amended as follows:

Pay Level 10

~~Public Works Foreman—Sewer~~

~~Public Works Foreman—Water~~

~~Public Works Foreman—Transportation~~

Public Works Crew Leader – Sewer

Public Works Crew Leader – Water

Public Works Crew Leader – Transportation

Pay Level 11

Sewer Supervisor

Water Supervisor

Transportation Supervisor

Section 2. In all other respects the 2025 Annual Operating Budget adopted in Ordinance No. 24.93 remains in full force and effect.

Section 3. That this Ordinance shall be in full force and effect upon date of passage and approval by the Mayor.

READ FIRST TIME:

Budget Line Information (if applicable):

Not Applicable

Department Comments and Recommendation:

Amendment to ensure Public Works employees, during their 10-hour workday season, receive 10 hours of holiday pay in lieu of their typical 8 hours to compensate them fairly for the actual hours they would have worked otherwise. This change would be applicable annually from Memorial Day through Labor Day. I am requesting a first and second reading so that we can enact this change prior to the Memorial Day holiday on May 26, 2025.

City Attorney Comments:

Per City Code 110.230, Bill 25-47 is in correct form.

City Administrator Comments:

I concur with the department's recommendation.

AN ORDINANCE OF THE CITY OF OSAGE BEACH, MISSOURI, AMENDING CHAPTER 125 HUMAN RESOURCES SYSTEM (PERSONNEL) RULES AND REGULATIONS; SECTION 125.120 ATTENDANCE AND LEAVES POLICIES AS SET FORTH.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, MISSOURI AS FOLLOWS:

Section 1. That the section entitled Osage Beach amendments as set forth below with new material set out in **RED** and deleted material struck as follows:

Section 125.120. Attendance and Leaves.

9. Holidays.

a. The holidays to be observed by full-time employees except shift workers are:

- (1) New Year's Day.
- (2) Dr. Martin Luther King, Jr. birthday.
- (3) Presidents' Day.
- (4) Memorial Day.
- (5) Juneteenth.
- (6) Independence Day.
- (7) Labor Day.
- (8) Columbus Day.
- (9) Veterans Day.
- (10) Thanksgiving Day.
- (11) Friday after Thanksgiving.
- (12) Christmas Eve.
- (13) Christmas Day.

1. Editor's Note: As it affects this Subsection, this ordinance shall be in full force and effect on January 1, 2024.

(14) Any Monday immediately preceding a City holiday which falls on a Tuesday.

(15) Any Friday immediately following a City holiday which falls on Thursday.

- b. All full-time employees of the City shall receive normal compensation for the legal holidays listed above and any other days or part of a day during which the public offices of the City shall be closed. All full-time employees shall receive eight (8) hours' holiday pay except ambulance personnel, 911 dispatchers, and law enforcement patrol officers will receive twelve (12) hours, and airport **and public works** employees will receive eight (8) or ten (10) hours depending on their ~~airport~~ **predetermined** workweek hours. Probationary employees shall be considered for purposes of this Section to be full- time employees.

Section 2. Severability

The chapters, sections, paragraphs, sentences, clauses and phrases of this ordinance are severable, and if any phrase, clause, sentence, paragraph or section of this ordinance shall be declared unconstitutional or otherwise invalid by the valid judgment or degree of any Court of any competent jurisdiction, such unconstitutionality or invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, or sections of this ordinance since the same would have been enacted by the Board of Aldermen without the incorporation in this ordinance of any such unconstitutional or invalid phrase, clause, sentence, paragraph or section.

Section 3. Repeal of Ordinances not to affect liabilities, etc.

Whenever any part of this ordinance shall be repealed or modified, either expressly or by implication, by a subsequent ordinance, that part of the ordinance thus repealed or modified shall continue in force until the subsequent ordinance repealing or modifying the ordinance shall go into effect unless therein otherwise expressly provided; but no suit, prosecution, proceeding, right, fine or penalty instituted, created, given, secured or accrued under this ordinance previous to its repeal shall not be affected, released or discharged but may be prosecuted, enjoined and recovered as fully as if this ordinance or provisions had continued in force, unless it shall be therein otherwise expressly provided.

Section 4. That this Ordinance shall be in full force and effect from and after the date of passage and approval of the Mayor.

Department Comments and Recommendation:

The Missouri Blue Shield Program is a designation that Governor Kehoe started as part of his Safer Missouri initiative that recognizes cities for their commitment to enhancing public safety, strengthening support for law enforcement, and building sustainable public safety partnerships. By achieving the Blue Shield designation, it will allow us to access state grants for law enforcement and training equipment that will become available. The following are the eligibility criteria:

- Passage of a resolution demonstrating a commitment to public safety, including to reduce violent crime within the jurisdiction;
- Extraordinary investments in public safety funding;
- Community policing initiatives or local partnerships to invest in and/or improve public safety;
- Law enforcement officer recruitment and retention program;
- Demonstrated effectiveness in reducing crime or innovative programs that attempt to reduce crime;

- Participates in regional anti-crime task forces, or a commitment to be a willing partner with these in the future; and
- Compliance with Missouri crime reporting and traffic stop data requirements and other related statutes.

The Police Department recommends approval.

City Attorney Comments:

Per City Code 110.230, Resolution 2025-16 is in correct form.

City Administrator Comments:

I concur with the department's recommendation.

RESOLUTION
2025-16

**A RESOLUTION OF THE CITY OF OSAGE BEACH APPLYING FOR THE
MISSOURI BLUE SHIELD PUBLIC SAFETY ACCREDITATION PROGRAM**

WHEREAS, the Governor of Missouri, Mike Kehoe, has announced the availability of the Blue Shield Program, an initiative designed to recognize and support communities committed to enhancing public safety and strengthening support for law enforcement within the State of Missouri; and

WHEREAS, the Blue Shield Program allows communities to access state grants for law enforcement training and equipment, contributing to the Governor's Safer Missouri initiative as outlined in Executive Order 25-03; and

WHEREAS, the City of Osage Beach is committed to improving public safety and recognizes the importance of fostering sustainable partnerships with law enforcement, thereby ensuring a safe and secure community for its residents; and

WHEREAS, the City of Osage Beach has made significant investments in public safety funding, including initiatives for community policing and local partnerships aimed at improving public safety measures; and

WHEREAS, the City of Osage Beach has implemented recruitment and retention programs for law enforcement officers and demonstrated effectiveness through innovative programs aimed at reducing crime; and

WHEREAS, the City of Osage Beach is an active participant in regional anti-crime task forces and is committed to ongoing collaboration with these initiatives; and

WHEREAS, the City of Osage Beach complies with Missouri crime reporting, traffic stop data requirements, and other related statutes essential for the maintenance of public safety standards;

WHEREAS, the City recognizes that future grant funding opportunities will be subject to the Missouri General Assembly appropriating funds for this program which has not occurred at the time of this resolutions preparation; and

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE
CITY OF OSAGE BEACH, MISSOURI, AS FOLLOWS:**

THAT, the City of Osage Beach officially applies for the Missouri Blue Shield designation to gain recognition for its commitment to enhanced public safety and support for law enforcement.

THAT, the City of Osage Beach is committed to maintaining its Blue Shield designation through annual reporting to the Missouri Department of Public Safety on its ongoing efforts and achievements in public safety.

THAT, the City of Osage Beach will utilize the resources available through the Blue Shield Program, including state grants, to further enhance training, equipment, and community policing efforts.

THAT, the Director of Public Safety, in coordination with City officials, is authorized to prepare and submit all necessary application materials for the Blue Shield Program as outlined by the Missouri Department of Public Safety.

FURTHER THAT, copies of this Resolution shall be shared with the Missouri Department of Public Safety and other relevant agencies to facilitate the application process.

This resolution passed and approved this day of May 2025.

Section 2. This resolution shall be in full force and effect from and after its passage and approval

I hereby certify that the above Resolution 2025-16 was duly passed on , by the Board of Aldermen of the City of Osage Beach. The votes thereon were as follows.

Resolution 2025-17 - A resolution of the City of Osage Beach, Missouri, authorizing City Staff and Consultants to take certain actions with respect to the proposed Angler's Outpost Project

Requested Action:

Resolution #2025-17

Ordinance Referenced for Action:

Board of Aldermen approval required per Section 110.230. Ordinances, Resolutions, Etc. – Generally and Section 110.240 Adoption of Ordinances.

Deadline for Action:

Not Applicable

Budgeted Item:

Budget Line Information (if applicable):

Department Comments and Recommendation:

This resolution begins the process for hearing and potentially approving a Chapter 100 tax abatement for the Angler's Outpost hotel development. The site is located next to Dollar General just south of the KK interchange. This is a unique development concept and its placement is a fantastic use of an otherwise difficult-to-develop parcel. The proposal has been reviewed and negotiated by staff, Gilmore & Bell, and Columbia Capital, all of whom believe this is an appropriate incentive structure for this project. Staff recommends approval.

City Attorney Comments:

Per City Code 110.230, Resolution 2025-17 is in correct form.

City Administrator Comments:

I concur with the department's recommendation.

RESOLUTION 2025-17

A RESOLUTION AUTHORIZING CITY STAFF AND CONSULTANTS TO TAKE CERTAIN ACTIONS WITH RESPECT TO THE PROPOSED ANGLERS OUTPOST PROJECT

WHEREAS, Patriots Equity Partners LLC (the “Company”) desires to acquire approximately 9.67 acres of real property located northwest of the intersection of Osage Beach Parkway and Swiss Village Road in the City (the “Project Site”) and develop a hotel facility specifically designed for fishermen (to be known as Anglers Outpost) thereon, which is expected to include approximately seven total buildings housing 42 two-bedroom, two-bathroom suites, an event venue and two retail spaces (the “Project Improvements” and, together with the acquisition of the Project Site, the “Project”); and

WHEREAS, to make the Project financially feasible, the Company has requested that the City of Osage Beach (the “City”) consider the issuance of industrial revenue bonds pursuant to Chapter 100 of the Revised Statutes of Missouri (the “Act”), to facilitate real property tax abatement for the Project and a sales and use tax exemption on construction materials, which bonds would be payable solely from Project revenues and not from any funds of the City; and

WHEREAS, Section 100.050 of the Act requires the Board of Aldermen to prepare and distribute a plan in connection with any industrial development project proposed to be undertaken pursuant to the Act;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, MISSOURI, AS FOLLOWS:

Section 1. The City’s staff, the City Attorney and Gilmore & Bell, P.C. are hereby authorized to work with the Company, its counsel and others to prepare for submission to and final action by the Board of Aldermen of all documents necessary or desirable to effect the Project and the authorization, issuance and sale of bonds related thereto, substantially in accordance with the Key Terms attached as Exhibit A hereto and incorporated herein, including preparation of the plan required by Section 100.050 of the Act. Either the City Clerk or Gilmore & Bell, P.C., on behalf of the Board of Aldermen, shall send such notices as are required by the Act in connection with the issuance of the bonds.

Section 2. The issuance of the bonds and the execution and delivery of any documents related to the Project are subject to further authorization by the Board of Aldermen.

Section 3. This Resolution shall be in full force and effect from and after its passage by the Board of Aldermen.

[Remainder of Page Intentionally Left Blank]

I hereby certify that Resolution 2025-17 was duly passed on _____, by the Board of Aldermen of the City of Osage Beach. The votes thereon were as follows:

Ayes: _____ Nays: _____ Abstentions: _____ Absent: _____

This ordinance is hereby transmitted to the Mayor for his signature.

FY2025 Budgeted Amount:	\$42,000
FY2025 Expenditures to Date (05/06/25):	(\$0)
FY2025 Available:	\$42,000
	\$26,736.50

FY2025 Requested Amount:

Department Comments and Recommendation:

This is for the purchase of salt for deicing our roadways. An invitation for bid for this product went out on 4/11/2025. Bids were opened on 05/02/2025. The City received 4 bids. The low bidder is Hutchinson Salt Co at a cost of \$76.39 per ton. I did check their references and found no problems. The City intends to purchase 350 tons at a total cost of \$26,736.50. The budget for this purchase is \$42,000.

The De-Icing Salt Bid is a cooperative bid administered by me on behalf of the City of Osage Beach for multiple Lake Area Governmental Entities.

I recommend approval.

City Attorney Comments:

City Administrator Comments:

I concur with the department's recommendation.
