### **-City of Osage Beach- Assault**

**Osage Beach, MO** – On June 11, 2021 at approximately 9:55pm Officers responded to Backwater Jacks, 4341 Beach Dr, regarding individuals trespassing. As Officers were responding they were given a description of the subjects and upon arrival located the subjects in the parking lot and met with them. Both subjects were intoxicated and causing problems at the business and were advised they needed to leave and were not allowed back on the property.

At approximately 11:37pm Officers were dispatched back to Backwater Jacks for the same subjects being on the property. As Officers arrived the subjects fled on foot and Officers lost site of them. While Officers were speaking with management an individual who was working Security showed up. He stated he was chasing one of the subjects when they were in the back parking lot and he got “jumped” and at that time he was unable to give any information in regards to the assault. Officers attempted contact with the subjects they identified earlier with no success.

Osage Beach Ambulance was called to the scene due to apparent injuries to the face of the security guard, who was later transported to Lake Regional Hospital.

This investigation is ongoing, any further information that becomes available will be released via Press Release.
