Recovered Stolen Vehicle

Osage Beach, MO – On July 12, 2022, while assisting the Camden County Sheriffs Office regarding a Missing Person investigation, what was presumed to be a vehicle was located by the Osage Beach Fire Protection District who were utilizing sonar radar, submerged at the bottom of the boat ramp at All About Boats, 696 Passover Road.

On July 13, 2022, divers from the Missouri State Highway Patrol Dive Team confirmed that it was a vehicle, however not the vehicle that is connected to the missing person.

The recovered vehicle, a 1997 Plymouth Breeze had been reported stolen from a residence in Osage Beach in December of 2003.

It has been confirmed that there has not been a second vehicle located at the scene and all crews have cleared the area.

The Osage Beach Police Department was assisted on scene by the Osage Beach Fire Protection District, the Missouri State Highway Patrol, and the Camden County Sheriffs and Prosecutors Offices.
